Public Policy: TexProtects leads four primary collaborations of advocates and experts who develop legislative policy and budget priorities prior to each legislative session with an emphasis on the child protection system inclusive of prevention and early intervention, Child Protective Services and Foster Care improvements and reforms, and behavioral health and trauma for those that have been impacted by abuse or the child welfare system. The TexProtects Public Policy Committee founded at inception works to develop the TexProtects Legislative Agenda each biennium and drives the organizations policy positions. The Child Protection Roundtable (CPRT) was founded by TexProtects in 2007 to which we co-chair with a five-member steering committee and brings together more than 65 organizations with child protection expertise. The mission of the CPRT is to be the leading convener of child protection public policy and governmental action in Texas that: helps prevention child abuse and neglect before it occurs; ensures protection and well-being of children and youth who come into state care; and heals the ongoing trauma and other adverse consequences experienced by children and youth as the result of maltreatment. Founded in 2012, the Texas Home Visiting Consortium's goal is to increase the awareness of evidence-based home visiting in Texas as a child abuse prevention

Education, Community Engagement and Awareness: TexProtects engages partners in communities throughout the state to educate them on the issues and solutions of child protection. With community-provider and local expertise engagement, TexProtects can build a legislative agenda that is reflective of the needs of communities across Texas. This process then creates the platform and advocacy network to education the Texas elected official delegation on child protection issues. TexProtects also works in communities to develop, innovate, and incubate local child abuse prevention strategies that can be pilots or models for state scale or replication using best-practices and impact outcomes. TexProtects also engages in broad public awareness building activities to raise awareness of child abuse and neglect and provides training, technical assistance, and systems-building support to communities.

TexProtects makes research available by publishing written works that correspond to our public policy priorities and also make research available through interactive platforms such as the ZipRisk map and Child Maltreatment Data Dashboard. TexProtects often partners with local universities to conduct research and has a formal partnership with Child Trends, Inc.

Schedule D, Part X, Line 2 - The Organization is exempt from federal income taxes under section 501(c)(3) of the Internal Revenue Code (IRC) and has not been classified as a private foundation as defined in the IRC. Income generated from activities unrelated to the Organization's exempt purposes is subject to tax under IRC Section 511. The Organization had no unrelated business income for the years ended December 31, 2019 and 2018. Accordingly, no provision has been made for federal income tax in the accompanying financial statements. GAAP requires the evaluation of tax positions taken in the course of preparing the Organization's tax return and recognition of a tax liability (or asset) if the Organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Management has analyzed the tax positions taken by the Organization, and has concluded that as of December 31, 2019 and 2018, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.
